## Shouaib House Residency

IG: [@ATHRFOUNDATION](#)

📍 [BAIT SHOUAIB](#)

Step into the vibrant creative hub of our third-cycle artists in residence, nestled in the heart of historic Al Balad. Wander through their studios, take in stunning rooftop views, and enjoy refreshments as you browse exclusive MAAN Editions prints—supporting local art production and practice.

Open daily from January 24 to March 31, 10 am to 9pm.

## Young Saudi Artist (YSA) Exhibition Residency

IG: [@WASLARTSPACE](#)

📍 [WASL ART SPACE](#)

Discover the next wave of Saudi talent at the 9th edition of YSA, curated by Basmah Felemban. Hosted at Wasl Art Space in Jeddah Park, this long-standing program has championed emerging artists in the Kingdom for over 13 years, making it a cornerstone of ATHR's community initiatives.

Opens from 5-10 pm, closed on Sunday.

“

Every piece tells a story, sparks an idea, or provokes a cherished memory—art is what transforms a house into a home. From early works of Saudi artists to masterpieces of modern Saudi art, my journey through creativity has rooted me deeply in the DNA of the contemporary art movement. Now, I have become a patriot for art, championing grassroots initiatives through multiple foundations—this is what's closest to my heart.
